

Signature® ATF Multipurpose Product Data Sheet

Product Description: Signature® ATF Multipurpose is formulated for applications that call for the former DEXRON®-III H, MERCON®, and Allison C-4 fluids.

Benefits: Signature® ATF Multipurpose delivers value through:

- Protection against the formation of lacquers, sludge, or other harmful deposits
- Exceptional stability provided by premium base oils and extra oxidation inhibitors
- Quiet performance – Especially effective in minimizing transmission “chatter”. Helps ensure smooth, quiet action at all speeds
- Fast circulation during cold weather and excellent film strength when hot

Features: Signature® ATF Multipurpose is a passenger car and light truck automatic transmission fluid for most pre-2006 automatic transmissions built by General Motors, Ford Motor Company, and other makes requiring a high-performance, multi-purpose, power transmission fluid.

It is formulated with premium hydroprocessed base stocks and additives that help provide oxidation and thermal stability, friction control, and wear protection. It helps protect against the formation of deposits, sludge, varnish, and foam.

Signature® ATF Multipurpose helps provide outstanding durability.

Under severe operating conditions, this fluid:

- Maintains friction control for smooth shift action
- Is specially formulated to help prevent shudder
- Retains low temperature fluidity and high temperature stability for long operating periods
- Protects automatic transmission fluid coolers from corrosion, and wear

Applications: Signature® ATF Multipurpose is designed for use in most pre-2006 automatic transmissions built by General Motors, Ford Motor Company and other makes requiring a high performance, multi-purpose, power transmission fluid. It is recommended for applications that call for the former DEXRON-III H, MERCON, and Allison C-4 fluids.

Always check your owner’s manual to determine the proper automatic transmission fluid for your vehicle.

Do not use in high pressure systems in the vicinity of flames, sparks, and hot surfaces. Use only in well ventilated areas. Keep container closed.

Do not use in breathing air apparatuses or medical equipment.

DEXRON is a registered trademark of General Motors Corporation.
MERCON is a registered trademark of Ford Motor Company
